
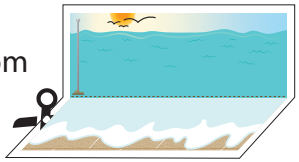
Beach Scene Left

3D Layer 1

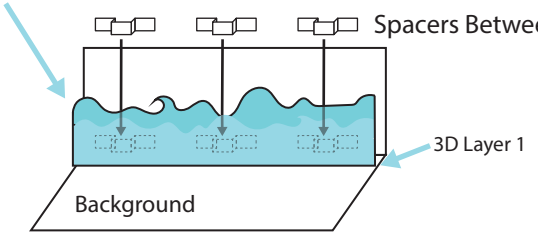
Cut out

Cut out

1. Cut white edges left by printer off from Background page

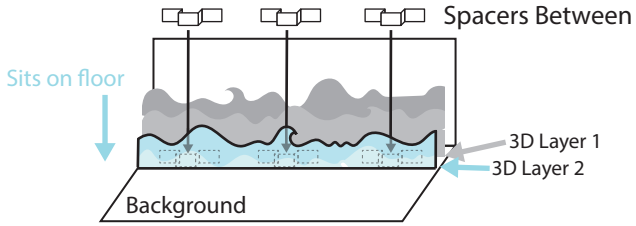


2. Attach 3D Layer 1 to Background with 3 Spacers. See next page for Spacers



3D Layer 2

Cut out

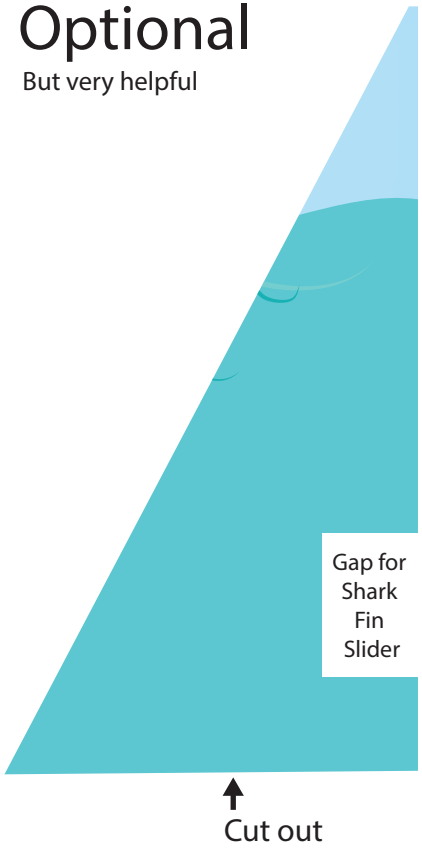


Cut out

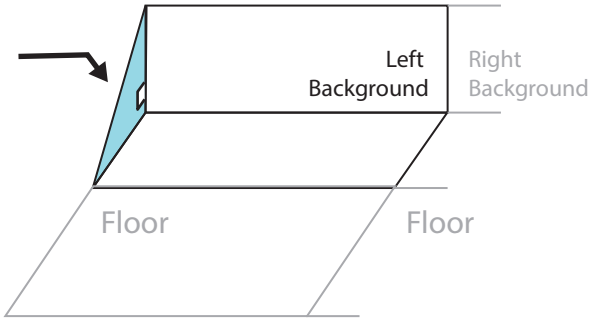
3. Attach 3D Layer 2 to 3D Layer 1 with 3 Spacers. See next page for Spacers.
Note: Spacers must be as low as possible. Shark Fin Slider will ride on these

Optional

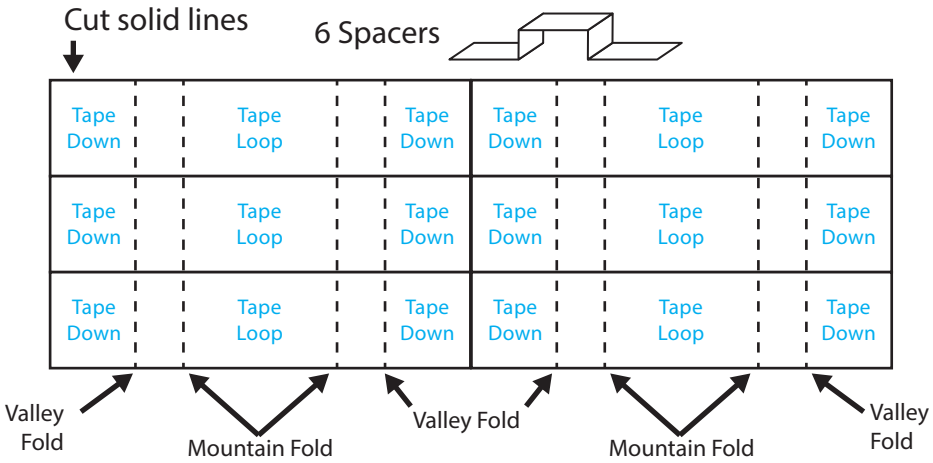
But very helpful

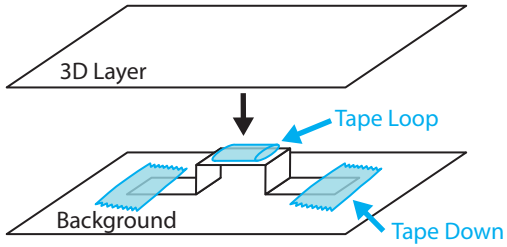


Tape on outside back and bottom

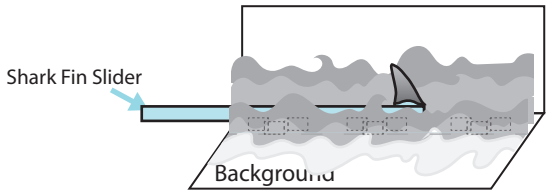


3D Spacer



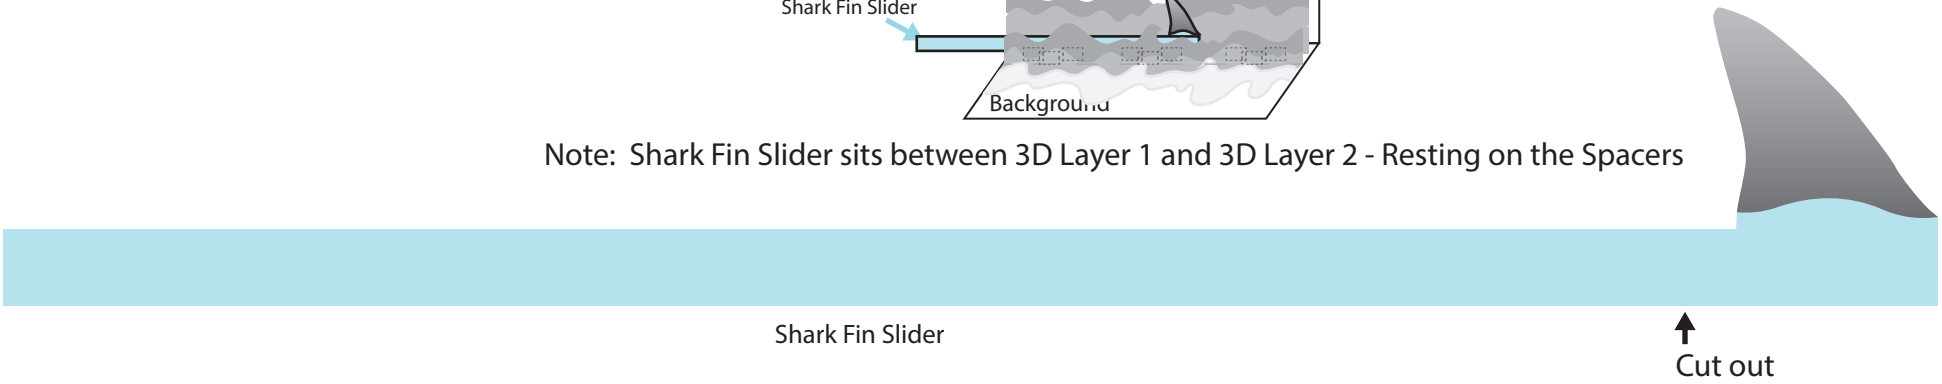


Beach Scene Left



Note: Shark Fin Slider sits between 3D Layer 1 and 3D Layer 2 - Resting on the Spacers

Bonus



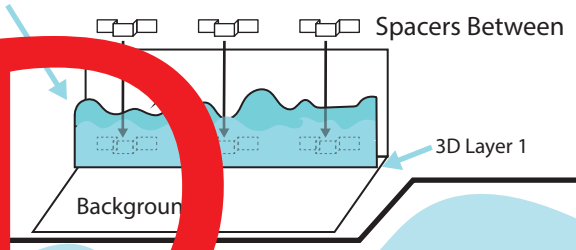
WARNING: If you use this, we are not responsible for anyone that ends up being eaten!

3D Layer 1

Cut out

Cut out

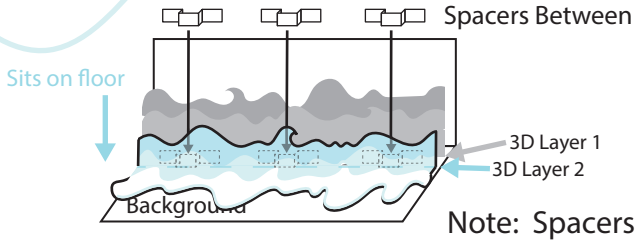
Attach to Background with 3 Spacers



OLD

3D Layer 2

Cut ou



Attach to 3D Layer 1 with 3 Spacers

Fold = Valley Fold

Note: Spacers must be as low as possible. Shark Fin Slider will ride on these
