# Beach Scene Right

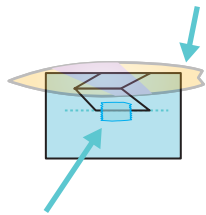

1. Cut white edges left by printer off from Background page
2. Attach 3D Layer 1 to Background with 3 Spacers. See next page for Spacers

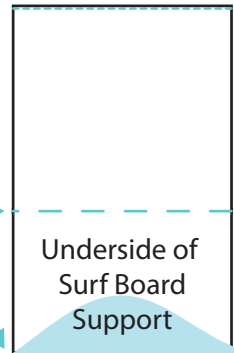

4. Attach 3D Layer 2 to 3D Layer 1 with 3 Spacers. See below for Spacers.

5. Attach Surfboard to Surf Board Support with a tape loop

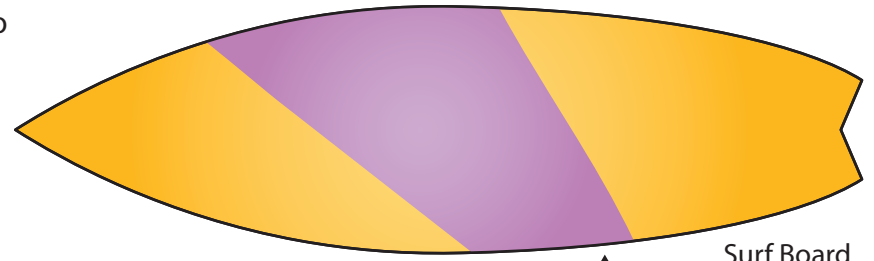

3. Fold over and attach Surf Board Support

Folds will allow you to tape this at dotted line below

Valley Folds
